Modeled from Life and Made for Greenleaf & Crosby Company.

THE HERALDIC EMBLEM on the cover is a copy of the ancient coat of arms carved over a doorway at Fort Marion, St. Augustine. The same heraldic device was on Columbus' banner when he landed in the new world. It comprises the arms of Castile (castle), and Leon (lion rampant), two kingdoms made one by the marriage of Ferdinand and Isabella. Around the outside is the grand cordon of the Golden Fleece, a chain of alternate steels and flints, striking fire, with the Fleece suspended beneath.

Greenleaf & Crosby Co., silversmiths, have adapted this beautiful design to many articles useful and ornamental.
